ABOUT US

The ALEMAI is an international non-profit organization dedicated to promote the use of aluminium extrusion. We aim to achieve this by uniting industry professionals and advocating for the benefits of aluminium extrusion. We offer resources to help members improve their skills, businesses, and overall knowledge of the industry.

MISSION

ALEMAI aims to provide a platform to unite the voices of aluminium extruders and work towards the betterment of the industry by developing trade friendly practices & sharing technical knowledge.

VISION

ALEMAI vision is to unite all "Aluminium Extrusion Manufacturers" across India under one umbrella with a singular mission of enhancing their prosperity through ensuring better trade prospects.

GOALS

ALEMAI unites extruders for collective advocacy and excellence in India's aluminium extrusion sector. Advocating export-friendly policies, we collaborate with government to enhance standards and technology.
